This premier display targets a unique mix of three approaches. Over 40,000 daily Sparks Ave commuters heading towards I-80 onramps and E Greg St are impacted directly by this new display as they approach multiple stop lights. I-80 East bound travelers (66,000), as well as those exiting at the Sparks Ave off ramp, see this highly visible display. Sparks is a primary high income residential area, and home to the Red Hawk Golf Course, Legends Mall, Scheels Outdoor Sports, the Northern Nevada Hospital and a tourist destination for the Wild Island Waterpark.
